Computer Guide

Hardware and IT Requirements:

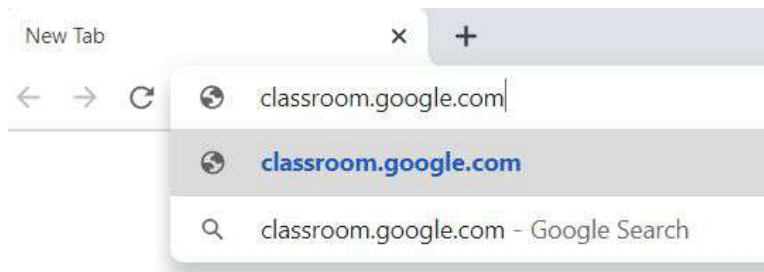

1. A desktop/laptop (minimum Core 2 Duo).
2. A microphone and speaker.
3. Stable internet connection (minimum 2 MBPS).

If you do not have access to above, a smartphone (android/IOS) with basic 3G/4G can also be used.

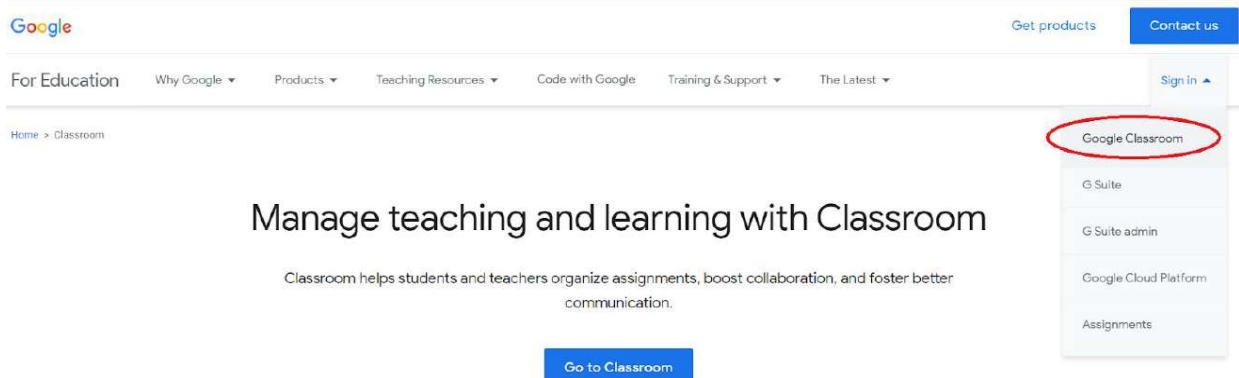

Steps 1: Open up your **internet browser** by clicking on the internet icon. This could be Firefox, Internet Explorer, Google Chrome, Safari, or any other browser, whichever is up to date.

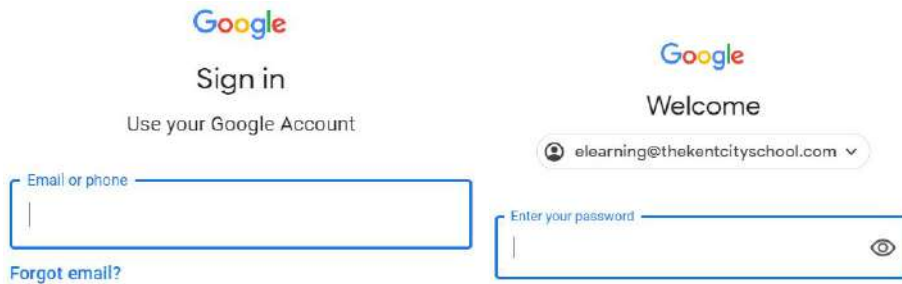

Step 2: In the toolbar of your browser, **type in the following URL:** classroom.google.com and **press enter.**

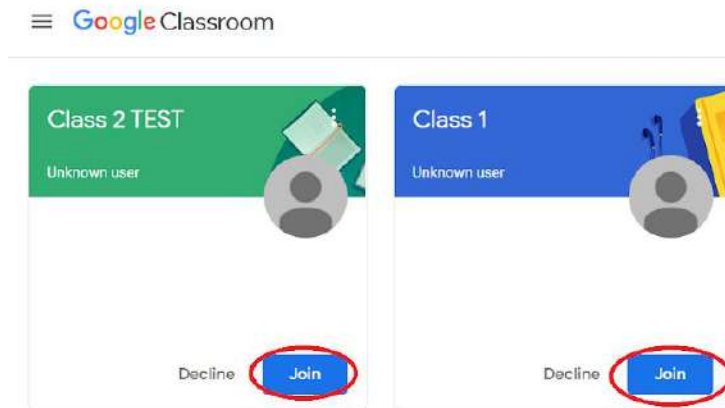

Step 3: Hover your cursor over  and click on **Google Classroom** (see the picture below).

Step 4: Type in the student **email address** provided by the school in the box and **press enter**, then **type your password on the next page** and **press enter** (*please contact the school if you don't have your information*).

Step 5: Click  button for each classroom to get in all the classes you are enrolled in. If it is your first login, be sure to **select your role as Student**.

Cell Phone Guide

Step 1: Download Google Classroom application from respective app store (Play Store or Apple Store)

Step 2: In the search toolbar of your app store, **type “Google Classroom”** and **press enter**.

Step 3: Download the Google Classroom application

Step 4: Click the **Get Started** button in the middle of the page.

Step 5: Sign in using the student’s username and password provided by the school (*please contact the school if you don’t have your information*).

Step 6: Once you are signed in inside the Google Classroom application, click  button **for each classroom** to get in all the classes you are enrolled in. If it is your first login, be sure to **select your role as Student**.
